PROFILE

Charismatic young man eager for experience, looking for work while on Working Holiday in New-zealand. Raised in a family of entrepreneurs, I quickly adapt to different work settings and accustom to having responsibilities. What can you add to my resume?

EXPERIENCE

Freelancer, Studio Ceiba, NB, Canada 2006-2009

Work on multiple position with my partner/owner in our small graphic design studio. I worked on PC's and Mac's. Mostly did graphic design and web design. Also did some computer repair jobs and bookkeeping.

Graphic Designer, Acadie-Nouvelle, NB, Canada 2005

Work as a part-time Graphic Designer for the advertising department of the local newspaper. Mostly work with clients to create their advertisement.

Labor, Hébert Rénovation Ltée, NB, Canada 2004-2005

Work on multiple jobs in my father's construction business. Mostly physical work, working with various tools and driving the work truck.

Delivery, Délice de Campagne, NB, Canada 2000-2001

Doing deliveries for my mother's bakery. In charge of loading the van, driving, checking inventory in store and making sales.

EDUCATION

NBCC, Miramichi, NB, Canada Animation And Graphic Technology (No Diploma), 2001-2003

Moncton University, Moncton, NB, Canada Electrical Engineering (No Diploma), 1999-2000

SCHOLARSHIPS

Moncton University entrance Scholarship 1999

SKILLS

I am bilingual in English and French. Good people and leadership skills. Knows computers inside and out. Quick learner and self-motivated, curious by nature. Clean and tidy, I like to be organized but not obsess by it. Like challenges and good under pressure. Experience both in the Office and on the field. Good health and able to work at physically demanding jobs. Knowledgeable. Used to using tools and apt at driving manual. Good with animals and used to farm work.
